## OVERVIEW

SOBHA RAJVILAS stands tall at the centre of the art, culture and activity of Bengaluru. Nestled in the heart of the city among world-class dining, entertainment and shopping opportunities, SOBHA RAJVILAS is all about doing life the city way.

Rajajinagar connects the northern and western Bengaluru to the rest. Rajajinagar has a metro station in the Green Line and this has reduced the travel time to Yeshwanthpur, Jalahalli, Mantri Mall, Kempegowda Metro Station and MG Road considerably.

SOBHA Rajvilas is tailor-made for affluent and successful Bengalureans who prefer the luxury of exclusivity. The project comes with 160 limited-edition luxury abodes with a wide array of world-class recreational amenities. These spacious 3 and 4-Bed apartments have enough room for creating and preserving your precious memories.
